

Wimberley ISD Agricultural Project Center

2023-2024 Animal Project Responsibilities

Dear Student and Parent/Guardian:

We want this to be a positive rewarding experience for all of our students! This agreement is intended to address the responsibilities that the FFA member and his/her parent or guardian accepted when the student decided to raise a show animal and keep it at the WHS Ag Farm. Listed below are our contact numbers in the event that we need to be notified of any information:

Ms. Milton
Ms. York

210-912-8030
210-213-8034

Lauren.milton@wimberleyisd.net
Kacie.york@wimberleyisd.net

STUDENT RESPONSIBILITIES:

1. **Must have or obtain Quality Counts Verification with identification number if showing at a major.**
2. **Place no animal in the WHS Ag Farm without permission.**
3. Alter no physical facilities without permission from the agriculture teacher.
4. Follow all rules and regulations of the WHS Ag Farm and WISD. **(Same rules apply as if you were on campus, i.e. No Tobacco, No Profanity, No Firearms, etc.)**
5. It is recommended that you keep your feed in a sealed container, trash can, or Rubbermaid style container. This will minimize insect and rodent issues.
6. **Feed, water, exercise, and care for the animal(s) every morning before 9 am and evening after 3:35 pm. Animals should be exercised and out of their pens; a minimum of 30 minutes each day.**
7. In the event that the student is unable to feed their animal(s), it is the student's responsibility to arrange for their animal(s) to be fed. Feed other students' animals ONLY when they ask you to do so. Let the Ag teachers know if someone else is feeding your animal(s) for you.
8. **Clean the pen on a daily basis. Replace old/dirty bedding with new clean bedding once a week. This will reduce parasites, diseases, and odor problems.**
9. Be respectful of and approachable to all Agricultural Science teachers in the district.
10. **Place old/dirty bedding in the assigned area only.**
11. **Lower Swine Barn:** If you are assigned pen(s) in the lower barn you must stay in the lower barn. You or your animal(s) may not be in the upper barn at any time (this will help with parasites and diseases).
12. **Upper Swine Barn:** If you are assigned pen(s) in the upper barn you must stay in the upper barn. You or your animal(s) may not be in the lower barn at any time (this will help with parasites and diseases).
13. **All animals being housed on the WHS Ag Farm must be shown through Wimberley FFA.**
14. Must take out trash in the barn your animals are being housed in **when assigned.**

Wimberley ISD Agricultural Project Center

2023-2024 Animal Project Responsibilities

PARENT RESPONSIBILITIES:

Please note during school hours (8:15-3:35) parents need to check in at the office prior to coming to the Barn/Ag Building and display a visitor's badge. If you are dropping something off, please leave in front office or have one of the front office staff notify us that you are on the way.

1. Make no alterations to physical facilities without written permission.
2. Provide or arrange transportation to and from the WHS Ag Farm on a daily basis. Maximize time spent with your child and his/her project.
3. Make sure the student feeds, waters, exercises, and cares for his/her animal every day.
4. In the event that the student is unable to feed their animal(s), it is the student's responsibility to arrange for their animal(s) to be fed.
5. See that student follows ALL rules set up for operation of the facility by the Agricultural Science teachers.
6. **Understand that failure to comply with all the rules and responsibilities and regulations will result in the banning of the student and removal of the animal from the farm. The animal will be sold and the earnings will be forwarded to the student after all unpaid fees are satisfied. Furthermore, the student will not be permitted to keep an animal at the farm in the future.**
7. **School trailers for use by authorized personnel.** Any individual who is not a district employee will be required to complete a trailer checkout form and provide driver license as well as insurance info. before the trailer leaves the Ag Farm. Trailers are required to be returned clean.
8. **Understand that Agricultural Science teachers, as representatives of the District, have ultimate authority on the WHS Ag Farm facility.**

Wimberley ISD Agricultural Project Center

2022-2023 Center Agreement

I, the undersigned, agree to abide by the following rules and guidelines for the Project Center:

- I will properly feed and care for my animal as directed by the Agricultural Science teacher(s). If the teacher(s) notifies me that I am not properly caring for my animals, I will remove the animal from the premises within one week.
- I understand that it is my responsibility to arrange for my animal(s) to be fed if I am unable to feed them.
- I will not willfully destroy anything on the premises; I understand I will be held responsible for any destruction that I may cause, other than fair wear and tear on pen space.
- I will not hold Wimberley ISD liable for any injury to or loss of my animal, or to myself, or to anyone who is with me while I am on the Project Center property.
- I will keep my pen clean to control odor and dispose of waste in the designated area and I will clean my pen **daily**.
- I understand that wood shavings or sand are the recommended bedding material, and any other bedding material must be approved by an Agricultural Science Teacher, or you will be asked to remove the bedding material.
- I understand that parking is only allowed for students who have an animal housed at the project center.
- I understand that the project center is not a social setting; loitering is grounds for a strike at the discretion of the Agricultural Science Teachers. Any students who do not have projects at the farm will need to be cleared by the Ag Teachers prior to entering the farm. Any student caught with unauthorized people on the farm could be subject to removal.
- I will turn off lights and properly close all gates when I leave the center and I will return shovels, rakes, wheelbarrows, and other tools and equipment to designated areas.
- I understand that all WISD rules apply to me and anyone that is with me at the center at all times **(ie. dress code, tobacco, alcohol, etc.)**.
- I understand that horses and dogs are not allowed on premise, unless approved by an Agricultural Science Teacher.
- I understand that entering the premises after **10:00 p.m. or before 6:00 a.m.** may be questionable behavior.
- I understand that I am not to interfere with anyone else's animal at the Project Center.
- Pen rent pays for the use of the facilities and assists with any cost of repairs to the facility. **Please note that any veterinarian costs are at the expense of the owner.**
- If I am raising an animal intended to be shown, I understand that it is my responsibility to arrange proper care and handling of my animal(s) to ensure my animal is ready for the Hays County Livestock Show or Major stock shows.
- I understand that if any of the above requirements are not met or are broken; this will be grounds for having my animal(s) removed from the premises at the owner's expense.
- I will promptly and properly remove all animals and clean my pen/designated area at the completion of the show season. If I do not remove the animal(s) within the timeline outlined in the **"3 Strike Policy"**, the animal(s) becomes the property of Wimberley ISD, and I forfeit all privileges. In addition, this will be grounds for the loss of privilege of future use of the feeding center.

“3 Strikes” Policy

If proper care is not taken of the animal(s), pen, and farm equipment by a student, this policy is in force:

Strike one- The student will be warned. A letter/email will be sent home to be signed by the parent(s) and student. The letter/printed and signed email should be returned within 5 days to one of the Agricultural Science Teachers. The parents will also receive a phone call to make sure the situation is understood.

Strike two- A letter/email will be sent home to be signed by the parent(s) and student. The letter/printed and signed email should be returned within 5 days to one of the Agricultural Science Teachers. The parents will also receive a phone call to make sure the situation is understood. A fine of 50 dollars will be due after receiving strike two.

Strike three- The student's animal(s) and any personal property of the student will be returned to the student. All monies paid for the animal(s), pen rent, entry fees, validation fees, etc. will be forfeited and all responsibilities of the Agricultural Science Teachers and WISD will dissolve.

Pen Fees:

The pen fee below includes pen rental per pen. Pen rents will be paid in a lump sum no later than Friday September 15th, 2023. Any animals who are in pens that have not been paid will be subject to removal.

Swine Pen.....	\$75.00 per pen
Sheep Pen.....	\$75.00 per pen
Goat Pen.....	\$75.00 per pen
Cattle Pen.....	\$100.00 per pen

In addition, each student will ONLY be allowed 2 pens per species. Due to limited space we are having to implement this rule. If a student is wishing to have additional animals they will be responsible for dividing their pens to accommodate their animals. They will need to contact the Ag Teachers prior to doing so. It will be at the discretion of the Ag. Teachers to issue additional pens, if they are available. The contract page will need to be returned prior to moving any animals into the farm. Payment will be due no later than September 15th, 2023 or when animals are placed in the barn unless prior arrangements have been made with the Ag Teachers.

- I understand that if I do not clean my pen within the timeline specified below, and participate in barn clean-up on a scheduled date set by Agricultural Science Teachers; I will forfeit my pen reservation for the following year.
- **I understand that all animals should be out of the farm and pens cleaned no later than April 14th, 2024. Any animals remaining on the farm after April 14th will be subject to a \$20.00 per week fee.**
- Participation at barn clean-up on a scheduled date set by Agricultural Science Teachers.

Any extenuating circumstances for failure to participate in barn clean-up must be made available and approved by Agricultural Science Teachers prior to the day of barn clean-up. Those who are not cleared will be issued a strike
